FUTURE PUNIS: IMENT—HOW LONG?—UNIVERSALIBLE is and partialists, believe allke in future punishment. They differ as to its kind and duration. Partialists declare that such punishment will be endises, and they quote certain passages from the Bible that seem at first sight to support their assertion. Universalists interpret those passages by the rest of the Bible, and prove thereby that their meaning is limited. For instance when God gave Camant to Abraham, He gave it, we are Loid, "for an everlaging possession." (Genema, vrii., 8) as for and his sons were anomated to be "an everlasting priesthood." (Ex. 40, 15, 7) he mountains are called "everlasting," and so are the gates of Jerusalem. (Heb. 5, 6; 72, 24, 7.) In the Book or Deuteronomy [15, 17) we read, "Thou shait take an awl and thrust it through his ear, and he shail be thy servant forever." Jouan said that when he was shipwrecked the earth with her oars was about him "forever." (Jon. 2, 6.) These are but a few of the many passages in the Bible where the words "everlasting," "eternal." "forever." and "never" are evidently used with a camporal meaning. (See Gen.

person than Dr. Taylor Lewis, the eminent orthodox divine and Protessor of Greek at Union College, has recently confessed that it will not bear their interpretation. Is does not mean everlasting and should not be translated so. The Bible, if translated ortoperly, and interpreted consistently, does not contain a single statement in support of estiless misery. Sinners will be punished as long as is necessary to effect their salvation, and no longer, in this world or the world to come.

At the Third Universalist church, corner of Bleecker and Downing streets, the pastor, Rev. E. C. Sweetser, will preach to-day at 7½ P. M.
